

KEGELROLLENLAGER-SETS

Japanische Präzisionslager in Erstausrüsterqualität

Unsere Kegelrollenlager werden nach japanischem Standard für die Erstausrüstung produziert und sind präzisionsgefertigt. Die Last wird gleichmäßig verteilt und die Lebensdauer ist sehr hoch. Sie werden immer im Satz geliefert.

Ein schlechtes oder verschlissenes Lenkkopflager beeinträchtigt nicht nur die Fahrstabilität, sondern gefährdet auch die Fahrsicherheit.

Lenkkopflager werden stark beansprucht. Kugellager verschleißen durch die ständig auf einen Punkt wirkenden Stoßbelastungen schneller. Bei den technisch aufwändig gefertigten Kegelrollenlagern wird die Last gleichmäßig verteilt, daraus ergibt sich die lange Haltbarkeit. Es empfiehlt sich, auch Fahrzeuge die standardmäßig Kugellager eingebaut haben, beim Tausch die hochwertigeren Lenkkopflager zu verwenden.
